

Dear Life, “Sorry”

Ansulika Paul

Lecturer, Chhattisgarh

“Sorry”

That I could not care for you.

“Sorry”

That I could not dare for you.

“Sorry”

That I have broken you into pieces.

“Sorry”

That I have bumped you into ditches.

“Sorry”

That you were to be loved and not tested and tried.

“Sorry”

That you were neither to be mocked nor cried.

“Sorry”

For abandoning you in dismay.

“Sorry”

For forsaking you in play.

“Sorry”

For retaliating your courtship.

“Sorry”

For belittling you in hardship.

Dear, Life

Now that I care

I'll make sure you have nothing to fear.
