

MY INNER FEELINGS...

Mr. Utpal Pal*

Corona Virus is killing,
Hope Earth is Healing.
Humans are weeping,
Animals are Annoying.

Sometimes Lockdown,
Sometimes Shutdown.
It's not a Deadline,
Not Even a Fun time.

Make it an Effective Time,
Learn Through Online.
During This Tough Time,
Hope You all are Fine.

It's my inner Feelings,
Everything will be Fine.
Our Fight against Covid-19,
Let's Follow Social Distancing.

It's my inner Feelings,
Everything will be fine.
Corona Virus is killing,
Hope Earth is Healing.
