

## Religion

**Rajesh Paul**

Guest Teacher at  
Rabindranath Thakur  
Mahavidyalaya

When I wanted to play, they told me  
You have to go to school, when I started  
to love my books and wanted to do something,  
they told me , you have achieved enough  
Knowledge, now go outside and earn money.  
I did what they said, but when I asked about  
love, they gave me a doll to play with her.

It was never been a good marriage.  
They told me behave, be polite, be good to her  
and love her. But how? I have no  
love for her .Her love is painful ,she  
is a hungry lioness . I am a dove, she  
is a swan .Her movements crushed my  
body parts. She did not devour my male  
body but I felt so beaten. She is  
devoted to me, I am devoted to him .In  
bed she wants me and I want him .

Love I wanted, lust I received  
I met many men, I loved them but I  
can't hold them in my life .I am wandering  
lonely as a cloud. I am a saint, I am a  
sinner. I am a victim, I am a victimizer.  
It was I who drank at twelves in bars.  
I know every lonely road. All alone  
in a metropolitan city , neither I  
have joy nor sorrow .I am a winner  
and I am a loser .They are watching  
my coming and going and when they  
said it is against religion . I told them  
Love is beyond religion.
