

HE LOVES HER NOT ANYMORE

Nabajit Debnath*

Exactly he didn't know the tastes of affection
Between true spirits, not less tries
But got nothing but pebble, with all his toils
And moils got shattered with immense insolent.
Yet timid, but he tried by heart, she couldn't
Apprehend the path he followed.
All he didst at the early phase of his experience
Then clock altered, changes encountered!
He is a changed man now, with the entire destiny.
