The small virus
Roll the train
Pop the train
and
Crawl the train

Is that necessary?
The window said
The chair said
The engine said?
Yes, it is
Everyone said
To see beneath human life
To see above the sky
To see inside
To delve inside
To meditate inside
To relax inside

The virus changed everything
The small virus

Roll the train
Pop the train
and
Crawl the train

Is that necessary?
The window said
The chair said?
The engine said?
