LOVE AMIDST THE CHAOTIC SOCIETY

Gurudev Kushal

M.Phil. (Linguistics)

Jawaharlal Nehru University, New Delhi

Life with my Love was a bed of roses,
Of different colors;
But the thorns of mortal
Always prick on the heart.
Amidst the distorted society,
Our life was gathering
The scattered happiness.
Chaos and confusions,
On this earth make our lives
To pant, sometimes to weep;
And impediments on the path
To fall.

But we, both the bosoms
Restore the legs
To walk erectly,
With the hope of that
Of our love;
Which springs out
Conquering over the despair.
Thoughtless, Ah!!!
Our lives build on
A forth coming belief
That spoils the present
Having a thought of the future;
But Immortal Love
Gained us out of that
Petty, cruel, hopeless thoughts.
Then our love conquests

Over that heartless society,
No bothering for anybody.

Love is essential in one sense;
But it is the heinous in other.
Because likeness can bring back
A rotten seed to life;
When there would be hope,
Belief and thoughtfulness; whereas
Disbelieve can cast into ruin.

LIFE

Hurdles and impediments
In between Life and Death
Make a lot.
Both make us able to
Stand erect.
Teaches us to live
Life in luxuriant.
Make us to comprehend
An example of strange idea.
Enable us to understand
The reality of Life.
And LOVE coming across these two
Gets pargeted and accrues
Potentiality healthily.
