

Writer's Block

Ms. Julia Augustine
Asst. Prof. on Contract

What shall I do?

Write!!

Well, let me think.

THINK... THINK... THINK.

Can I? But what about?

Life... Death... Memories?

Oh not now. Then..

It's raining... shall I begin?

Oh dear! words fail me right now

WORDS.. WORDS..

Where shall I invoke you from!

Hidden in the depths of my mind.

Trotting along the hall,

Searching for striking stances,

Glaring above as if words would descent on me.

Alas! did I catch my theme,

And thus turned out to be the Writer's Block.
