## A Soul in Love

**Dr. Amit Sharma**  
Assistant Professor in English  
CT Group of Institutes  
Jalandhar, Panjab

Cheerful is the season,  
Cheerful is the night,  
With you in heart,  
Everything is bright.

Bright is the day,  
Bright is the sun,  
With you in heart,  
Everything is bright,

Full is the moon,  
When in the noon,  
Thy visions strange,  
My soul such manage,  
It gets softened,  
And is gladdened.  
Love is in the air,  
With sweet fragrance fair,  
Like the sweet incense,  
Burning at distance.....

### What I Aspire to be...

Some aspire to be young,  
For they wish their raven hair may never turn grey,  
Some aspire to be affluent,  
For they wish poverty never to touch their feet,  
Some aspire to be famous,  
For they wish people never to forget their names,

But I aspire to be a man,  
Whose heart is rendered in the service of mankind,  
A man who is humble,  
Where arrogance can never dwell,  
A man who is noble,  
Who may not be handsome; but his actions are,  
I may not be young, affluent and famous,  
But there is contentment to seek,  
Which is more than what I need.
