

## The Struggles

**Akhi P S**  
PGT ENGLISH  
At KMM English School Puthanpally

I am struggling amidst the clouds of gloom

in plenty of bloom

But still searching my way

In the darkness away

Slowly and slowly i found a piece of light

On a far away right

But still am searching for a way

In the darkness gay

Little by little i gathered consciousness

Still following me a lonely darkness

Even though i wandering amidst the crowd

Still i find myself bowed

By the weight of thoughts

Nearing the lot
