

Chained

Oh Yes! I forgot,
I am chained to you,
You come along,
Along with me,
Is there a place
a place where we both don't stumble across?
Your clutches grasp me tight.
Your weight, oh! It burdens me.
I die.
The more I hate you,
The more you haunt me.
I look... I see you.
I search... I find you.
Darkpast..... unerased,
You remain bold.
Wait...
I am chained to you?
Or you chained to me?
