

**SWEET DISTILLATE**

*Kapardeli Iftichia*

*The years of youth  
I lived all alone  
in those landscapes  
filled with secret Sun  
eyelids  
Matched with lilies  
Virgin  
and the wind of freedom  
Message, mark the cool  
lips joy  
\*\*\**

*Swans with their wings  
they covered the white  
lilacs  
the bent truths  
I met dreams a bunch  
light  
in newborn foliage  
life*

**HEROES**

*Leaves and fingers forgotten  
the trees not  
name  
The weather in the memory  
in the dust  
soul and spirit  
supple flowers  
Kissed a thousand times  
the first Fragrances*
