

*Nebulous Memories*

*Those  
Beatific whispers  
Are the reasons for  
These nebulous memories!*

*Those  
Priced eloquences  
Are the reasons for  
These nebulous memories!*

*Those  
Prayers  
At doors of temples  
Are the reasons for  
These nebulous memories!*

*Perhaps,  
The rising, undulating crests  
And in-between  
Seemingly unfathomable gaps,  
Could call for  
The home-coming of  
Those dulcet canaries!*

*But  
Those abysmal valleys  
Withal  
Are becoming the reasons for  
These nebulous memories!*
