Light**Dr. Kapardeli Eftichia**

*light fluid
 spread everywhere
 The wide circle
 fog
 weak in dotted
 Beauty, dozing

 The Eternity is
 deep need
 birth ... return
 the beginning, the union with God
 Love, genius, brilliance*

Yellow flowers

*Pain lot
 Oh! cool night
 divided the lives of people
 in two, the sun and rain

 The moans of flowers
 wounded in that
 the slope with
 white trail
 poured in Heaven

 Flowers, the air of God
 hug widen
 eternal silence*

sweet kissed

*And this flower
define your will,
heart your thought into
a turbine which widens
in a circle ever*

Dies

*On a yellow flower
pollen of love
Forgotten
the name you chose
Oh my heart*

Dr. Kapardeli Eftichia has a Doctorate from ARTS AND CULTURE WORLD ACADEMY. Born in Athens and lives in Patras. She writes poetry, stories, short stories, xai painting. Participated in treble choirs as a soprano. She studied journalism AKEM (Athenian training center). She has many awards to her credit. Just a few days, was author of the Indian Academy Anthology.
