Ever entered that beautiful state,  
Where you don't fear doing a mistake.  
A place where every possibility is true,  
And reality is every thought you ever brew.  
A place where you let all your super-power unleash,  
Saving the world and bringing peace.  
A place where you were not afraid to fail,  
And every time you entered embarked on a new tale.  
A masterpiece created entirely by you,  
One where every million-dollar idea started to grow.  
If anyone of these thoughts has ever crossed your mind,  
The most precious treasure is in front of you all lined.  
So, get ready and take a sip off the brim,  
Because my friend you have to catch your dream.
