The storm of apprehensions

Shivranjani Gandhi

Every end is a new beginning they said
I believed in them but
Am I ready for this new beginning
When my life is full of apprehensions
Is this is an existential crisis I am in
Or just the bad that happens before the good ?

These things I do not know of !
As I venture into a phase of uncertainty
Unfortunately no one talk about this grim phase
As they are only speaking of new beginnings

But what happens in between
Is this crisis worth suffering for ?
I would like to hope so

Hope is what has kept me together
As I am sailing in this boat
Which is full of apprehension
It feels as if I would succumb
To the pressure of apprehension in this boat
However , I must resist as the pain is the path
To a magnificent beginning
