

## Smile

**Neha Raina**

Asstt. Prof. in Eng  
G.L.D.M Govt. Degree College  
Hiranagar, University Of Jammu

Smile is a muted ointment  
It Brings ecstasy and delight .  
It sunshines the inner soul;  
It blooms,whistles and glows.

Smile takes One long miles  
Bringing Joy and Rejoice .  
It Peeks and Speaks in Depths  
Surpasses lengths and breadths.

Smile,Smile and Smile  
'Ur' Life reorients to dancing style .  
Dangling,Wandering,Sterling  
Brimming with froth of varient hues :  
Pink,Red,Purple and Blues .

All the essence of happy living ;  
Lies in a big *Smile* never ending.

## Birth Companion

'Umbilical bond' so pious and innate  
I share with u ' O Maa' .  
Never do I fail to recollect the pains u took;  
To make a 'life' out of life for us.

'U' are indeed my Birth Companion ,  
'U' are my parasol; always shielding  
In Sunshine and Rain.

How could I deny different shades of 'ur' motherhood;  
Sometimes, benevolent and caring;  
to a stern, tough, taskmaster.

Dextrous ' Maa' you'll a'ways be my confidant and guide.  
My buddy and a lifelong companion .  
You'll always be my guiding star of Providence;  
Which no foreteller can forecast.

'Maa' you and I are birth companions ,  
Births after births I see u as my treasure.  
Grateful and gratitude filled Heart only wishes  
If I could ever indemnify;  
The debts I owe !!!  
The debts I owe!!!  
The debts I owe!!!
