The path unseen  
Without any lustre  
Without a sheen  
Loaded with stories  
Of a warrior, of some queen  
The peaceful pinnacle  
The zenith of a serene  
Mystics of a monk  
Heritage of a hermit  
Shadows of a Sufi  
Without any priest  
Without a reverend  
Without a God  
Without any follower  
The quest for truth

Reasons for existence

The self rendezvous

All Achieved by no mean

Yes I walked on that path lush green

Without thousand gods in between

Deciding the future of my foreseen

And my naked soul without a screen

Resurrects from a dream unseen
