Reenu S John

MA English

Maharajas College (Govt. Autonomous)

Ernakulam, Kerala, India

A daunting memory she has turned to you
For me it is a nugatory lifelong struggle
From hollowness I fought with a heavy heart
Not just for my life and blood, but for you.

No more I see her in your eyes

But I see him, his cruel gaze

Ripping into pieces my daughter's soul

“Lack of evidences!”they claimed.

“Poor Melancholic Whore!”he consoled.

“Spurious Offspring!”echoed the whispers.

Flew the autopsy reports in air to futility.

Sleep peacefully India!

Wake up with yet another INDIA'S DAUGHTER.

(Inspired from the words of Soumyas mother on 15th September 2016 with regard to the latest Supreme Court's verdict on Soumya's murder in Kerala)
