

My Only Wish

Is to set my eyes
On Your beautiful Face
Day in and day out
Till the end of eternity.

Is to drink from Your Hands
Glasses of pure wine
If beauty exists somewhere
It's in Your Face divine!

It's in Your Face divine,
In Your Face divine,
Your Face divine,
Your Face divine.

And so my only wish

Is to have Your Light,
Is to have Your Smile,
Is to gain Your pleasure,
O! That priceless treasure....

And When....

And when....
Your Light shone into my heart;
And when....
In one transcendent moment
You turned a whole world around;
And when....
You brought the living out of the dead;
And when....
A calmness sublime descended upon my heart;
And when....
Your Perfection dazzled through the darknesses;
And when....

Your blessing beamed radiantly;

And when....

Your Majesty disentangled me from a horrid horrid end.

O! How could I ever thank Thee

For all You have done for me....
