I hear my beating heart
Fading in and out
Random thoughts
Keep me alive
What do i want?
Don't know what i'm doing
I can hear my beating heart
Fading in and out
Dreams.... dreamy dreams
Holding on..
How long will I hold?
As long as my nails stop growing
I am a dreamer
I am not only a dreamer around
I sometimes break apart
I hear my beating heart
I won't give up, because
I can hear my beating heart
