

WE'LL BE TOGETHER

Harleen Kaur

Assistant Professor

C.K.D Institute Of Management & Technology

Opp. Model Town, Near Railway Station

G.T. Road, Amritsar

Hope of feather precipitates,
Whether, we'll be together?
Leave everything on time,
And see those remaining stars grime.
Be like Wood Thrush* who never fails in rhyme.
Each and every day she ee-oh-lay,
And takes many breath away.
Beam of light will soon shine bright,
Don't give up.
Thine will get courage from divine.

*Wood thrush is a North American passerine bird.
